

Special Events and Demonstrations	Related Policies: Use of Force; Fair and Impartial Policing
<i>This policy is for internal use only and does not enlarge an employee's civil liability in any way. The policy should not be construed as creating a higher duty of care, in an evidentiary sense, with respect to third party civil claims against employees. A violation of this policy, if proven, can only form the basis of a complaint by this department for non-judicial administrative action in accordance with the laws governing employee discipline.</i>

I. PURPOSE:

The purpose of this policy is to establish guidelines for the Bennington Police Department (BPD) when managing crowds, protecting individual rights, and upholding the peace during Special Events and Demonstrations.

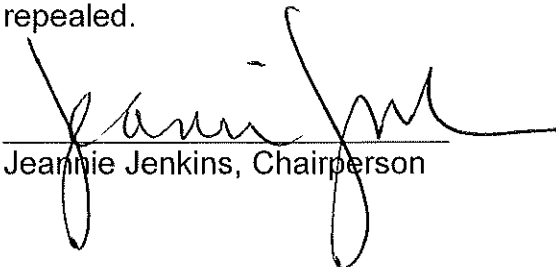

II. POLICY:

- A) It is the policy of the BPD to assist Special Event organizer(s) in planning for a Special Event scheduled to occur on Public Property where more than twenty-five (25) persons are expected to attend utilizing the form(s) attached to this policy including the Fee Schedule for law enforcement services. Nothing in this policy limits the ability of the BPD to maintain peace and protect individual liberty for events occurring on private property. Free Speech Events and demonstrations held on public property are not subject to fee collection by the BPD.
- B) It is the policy of the BPD to protect individual rights related to assembly and free speech; to effectively manage crowds; to prevent loss of life, injury, or property damage; and to minimize disruption to persons who are not involved in the Special Event or Demonstration. The BPD will take appropriate action(s) in response to violations of law(s).
- C) Following a Special Event, the BPD shall create an After-Event Report. The report shall be made, when possible, in cooperation with the Event Sponsor and shall identify: 1) what worked, and 2) areas of opportunity for change. The report shall be shared with the Chief of the BPD and the Town Manager.

III. DEFINITIONS:

- A. Crowd Control: Techniques used to address civil disturbances and to ensure the safety of the public, to include, but not be limited to, de-escalation, a show of force, crowd containment, dispersal equipment and tactics, and preparations for, and, if necessary, carrying out of multiple arrests.

They include, but are not limited to, marches, protests, and other assemblies intended to attract attention. Lawful demonstrations can devolve into civil disturbances that necessitate enforcement action, including Crowd Control.
- C. Event Sponsor: An individual who has primary responsibility for planning and organizing the Special Event. This individual shall be on-site the day of the event and takes primary responsibility to liaison with the BPD before, during and after the event.
- D. Private Property: Property not owned or under the control of the Town of Bennington, State of Vermont, or United States Government. (Special Events on Private Property shall conform with Bennington's Land Use and Development Regulations).
- E. Public Property: Property owned or under the control of the Town of Bennington, State of Vermont, or United States Government.
- F. Special Events: Parades, celebrations, concerts, races and other planned and unexpected events that are open to the public and that can result in a need to schedule additional personnel to properly control the event and ensure the safety and security of the community. In certain circumstances, an event can go beyond the resources of this department and require that mutual aid be invoked.

This Policy is adopted by the Select Board of the Town of Bennington, Vermont, this 10th day of May, 2021 and is effective as of this date until amended or repealed.
